"when was it?"  
 "she's just moves recently, mam"  
 "but there's no sign of her leaving?"  
 "I didn't noticed any signs either, mam"  
 "how strange"  
 "I saw it later ago while every things seems a bit hectic with her, mam, I reckoned that perhaps something has been disturbing her while she's here, for sure I never know exactly what's hits her"  
 "seems now everythings has moves and gone as well being replaced. and she's never come back"  
 "too bad, mam, sorry to hear that, mam"  
 "well, some are should be lost and taken over new things, it's ok though."  
 "I better leave you with this room then, mam"  
 "yes, and I am sad to see this happened"
