*Roundabout* menjelajahi berbagai jalur, proses, serta bentuk-bentuk melingkar dalam suatu lingkungan virtual. Karya ini dipersatukan oleh elemen-elemen visual dan musikal yang muncul berulang-kali.

Dennis Miller memperoleh gelar doktornya di bidang Komposisi Musik dari Universitas Kolumbia dan kini mengajar di Fakultas Musik di Universitas Northeastern di Boston, tempat ia mengepalai program Teknologi Musik dan bekerja pada Komite Pengarah Studi Multimedia. Karya-karya media campurannya telah ditampilkan di berbagai tempat di seluruh dunia, terakhir di Museum De Cordova, di New York Digital Salon Traveling Exhibit, dan Festival Film dan Video New England 2004. (*Thames and Hudson*)

*Roundabout* explores a variety of circular paths, processes and forms within a virtual environment. The work is unified by recurring visual and musical elements.

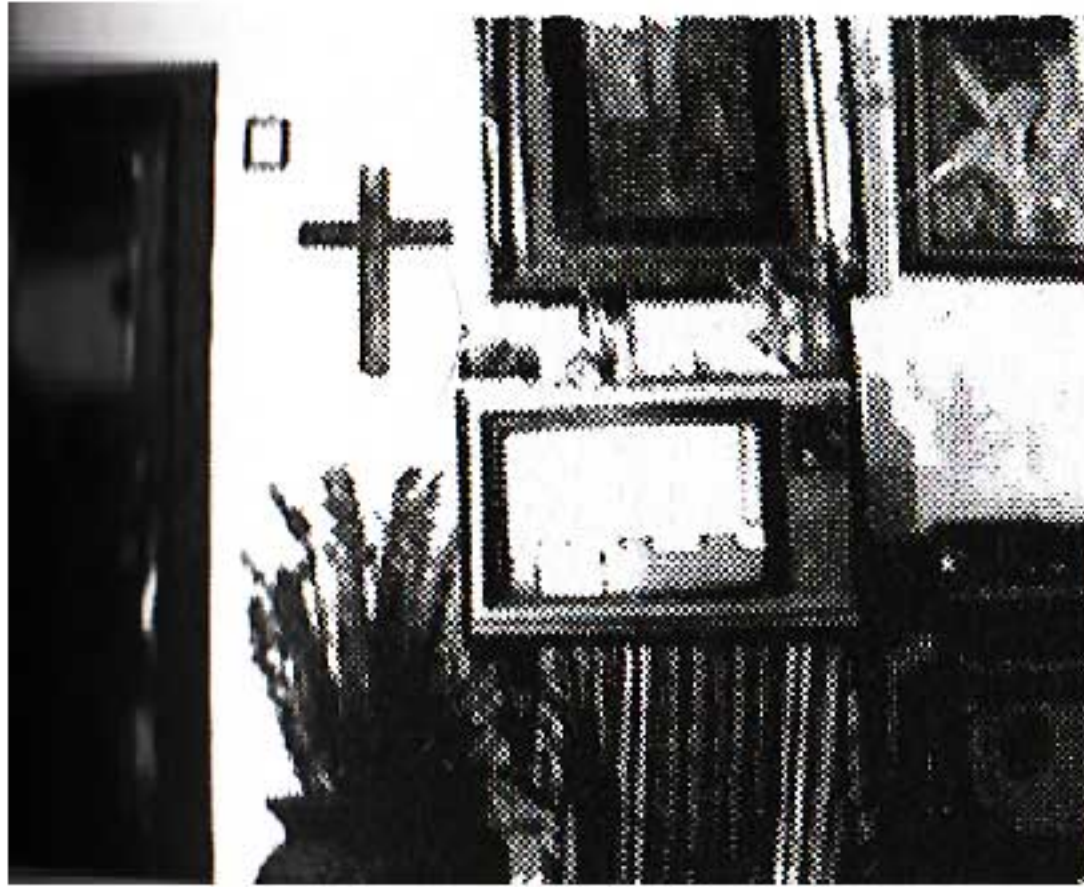

Dennis H. Miller received his Doctorate in Music Composition from Columbia University and is currently on the Music faculty of Northeastern University in Boston where he heads the Music Technology program and serves on the Multimedia Studies Steering Committee. His mixed media works have been presented at numerous venues throughout the world, most recently the DeCordova Museum, the New York Digital Salon Traveling Exhibit, and the 2004 New England Film and Video Festival.
