Agan Harahap loves history! And that he can prove, the talented photographer and graphic designer from Jakarta, Indonesia has created a series of manipulated images; the project is titled "Super Heroes." You think you're good in history, is there some kind of hidden truth? If you want to discover what actually happened scroll down after the jump and find out who was behind all those historical moments that took place in the 20th century. But beware! You may never look at the past the same way again. LOL! Enjoy these manipulated images by the very creative Agan Harahap.
